

K2 Management's recommendation of Enterteam

To whom it may concern

Aarhus, Denmark, January 2020

Dear Agnieszka and Marta,

Thank you very much for a successful event in Gdansk, Poland 2019. We think you have done a great job – both during the planning process as well as the actual event.

We, K2 Management A/S, invited all our employees to Gdansk to conduct our Annual Event 2019 – 170 employees participated during the event. People flew in from all over the world (15+ locations) and were greeted in the airport by Enterteam representants. They made sure our colleagues came on the right busses and were driven directly to the new hotel – Radisson Hotel & Suites in Gdansk – a fantastic location for conferences, right next to the Old Town of Gdansk.

During the event you made sure everything went well, at the agreed time. And every time we had questions, concerns or unforeseen challenges you solved it smoothly and professionally.

Overall, you did a great job supporting us with the following things:

- All preparations: Starting January 2019 and until the event October 2019
- Coordination and alignment with Global Airlines
- Coordination and alignment with Radisson Hotel & Suites
- Coordination and alignment of all the transport and transfers needed during the event
- Coordination, alignment and preparation of activities, including a guided tour in Old Town, a big party in an old Shipyard, dinners at different restaurants as well as a museum visit and preparing the facilities for a management day at Muzeum Marynarki Wojennej in Gdynia.
- Maintenance of the Meeting App and continuous update of the event program.
- You made sure we had all the tools needed during the conference
- You made sure to help and support the few times we had unforeseen challenges

If we were to make an event in Poland again, we would not hesitate a second to reach out to you. It is quality and value for money. Apart from that, you are both wonderful people to work with; always constructive, creative, efficient and with a smile on your faces.

We give you our warmest and best recommendation and wish you all the best in your future!

On behalf of K2 Management,
The Annual Event Team 2019:

Louise H. W. Haahr – Chief HR Officer
Hanne Kongstad – Executive Assistant
Søren Bay – IT Business Partner
Sigrid Bramming – HR Coordinator
