Recommendation Letter

To whom it may concern,

We are writing this letter to recommend the services of Enterteam Events to you. Our company have entrusted them to organize our corporate event in Poland, which was part of Palfinger Marine Norway celebration of Palfinger's 90th anniversary. The engagement of Enterteam has been on the highest level and completely met expectations, the company offers high quality services, and we can say that we are very satisfied by their work.

We would like to point out the concern for quality and attention to detail that the company has. For our event, we had our employees coming from eight different countries and Enterteam took great care on organizing the logistics, accommodation, selection of the venues for dinner including the menu, the conference and a team building activity for our group. In our opinion it has been the knowledge and creativity of the company that resulted in a such impressive and successful event.

We would like to ask you to consider Enterteam for your needs of an event planner. We strongly recommend their services, and we are looking forward to working with Enterteam again for future corporate events.

Sincerely,

The Welfare Committee of Palfinger Marine Norway
